eToims®

physical rejuvenation

pronounced: **(EE • TOYMS)**

1. ***The eToims® Technique*** is an advanced diagnostic **non-invasive therapy** for both healthy individuals desiring general physical **health improvement** and enhancement, as well as for individuals suffering from **acute** and **chronic pain.**

2. ***The eToims® Technique*** targets the trigger points where nerves and muscles meet, causing **deep twitch** contractions that **stretch** and **relax** damaged muscles.
